

**Wexford has always been
a little bit different!**

An age-old gateway into Ireland, County Wexford is steeped in history dating back to the Stone Age, over 6,000 years ago. Journey through time and meet our ancestors - Celts, Christians, Vikings, Normans, French, Welsh and English - who have left us a quite remarkable heritage, unrivalled anywhere else in Ireland.

Now for the first time ever, Wexford's history, culture and magnificent landscape are presented to you in a very special way on the Wexford Heritage Trail. Along our Trail, you will follow in the footsteps of monarchs and monks, knights and warriors, rebels and rogues, gentry and even the odd ghost! Wexford Heritage Trail has something for everyone!
